Emergency Motion

Paper for...

Proposer: Chandler Wilson (Nottingham Green Party)

Title: Cannabis law change

Synopsis

The young Greens welcomes the rescheduling of Cannabis based medicine however believe more work needs doing to make sure all patients get the medicine they deserve.

Motion Text

1 The Young Greens welcomes the change to allow specialist clinicians to prescribe
2 cannabis based medicine to patients. However we call on the government to allow
3 General practitioners to prescribe cannabis for more conditions than at current
4 as well as the ability to prescribe more forms of Cannabis to patients so no
5 patient is left behind. As well as giving the patients the right to grow their
6 own.
